MPVM GANGA GURUKULAM
CLASS VII
SESSION 2026-27

Vacations
are for fun,
but learning
is forever!

Note: Do all your work in file paper

Q1. Read English Newspaper for 12 to 15 consecutive days. Select any one positive topic/event everyday and write about it in 5 to 6 lines. Paste the Newspaper cutting for the topic/event selected.

Q2. Read the story "The Blue Carbuncle" from the book 'Adventures of Sherlock Holmes', thoroughly and Answer the following Questions:

- What had the speaker's wife found in it's crop?
- How did Holmes find out that Henry Baker was innocent?
- What facts do we know about the goose in the story?
- Which chance meeting gives Holmes a leading clue to solve the case?
- What did Sherlock do with the person who stole the blue carbuncle?

Q3. Read the story "The Speckled Band" from the book, The Story of Sherlock Holmes. Select any six difficult words and do the Word Mapping (write its Synonym, Antonym, part of speech and use that word in a sentence of your own).

Q4. Prepare a Comic strip or a book cover on the story "The Red-Headed League". Give a proper heading/title to your Comic Strip.

नोट :- निम्न ल खत कार्यों में से कन्हीं दो कार्यों को अनिवार्य रूप से करिए एवं दिए गए कार्य सुव्यवस्थित एवं आकर्षक ढंग से फाइल पेज में होने चाहिए।

1. मेरी रसोई मेरी हिंदी

कसी एक व्यंजन की रे सपी हिंदी भाषा में ल खए, जिसमें उस व्यंजन का नाम, आवश्यक सामग्री तथा बनाने की पूरी व ध क्रमबद्ध रूप में स्पष्ट रूप से प्रस्तुत की गई हो, ता क उसे पढकर कोई भी व्यक्ति उस व्यंजन को आसानी से तैयार कर सके, और पूरी जानकारी कम से कम 100-150 शब्दों में व्यवस्थित रूप से लखी गई हो।

 Make a Rangoli or drawing using patterns
 Use: Symmetry, Repeating shapes Color it nicely
3. **Maintain a journal of your family's holiday expenses (groceries, travel, and snacks). Use this data to create a Pie Chart or Bar Graph showing the percentage of spending in different categories. Select any 5 category of expenses for a week.**

Physics

To understand how electricity is used in daily life and its effects through a real-life survey.

Part 1: Household Survey

Prepare a questionnaire (10 questions) and visit at least 5–10 houses (neighbors/relatives) and collect the information based on your survey .

Part 2: Data Representation

Make a table of your collected data.

Draw: Bar graph (Appliances used)

Part 3: Conclusion

Write 5–6 lines on:

Importance of electricity

Ways to save electricity

Effects of electricity (heating, lighting, magnetic)

Part 4: Presentation

Add: Drawings of circuit diagrams, Pictures of appliances, Creative cover page

Bio/Chemistry

1.A. Test the acidic or basic nature of substances present at home (at least 10) by using turmeric/turmeric paper as an indicator1.

1.B. Prepare china rose indicator at home. Place petals of some china rose flowers. Pour some warm water into it. Stir it with a glass rod/spoon. Decant the pink colored extract into a glass container. Label it as china rose indicator2 and bring to school.

Sample	Original colour	Colour change with indicator 1	Colour change with indicator 2	Remark

2. Select and write 5 activities based on daily life situations, where you knowingly or unknowingly apply the scientific method:

1. Observation
2. Question
3. Hypothesis
4. Experiment
5. Analysis

Paste all the pages in handmade decorative files and add your creation.

HISTORY/CIVICS

“A Journey through Time”- Visit the Allahabad Museum/Any Heritage site and imagine yourself as a young historian on a mission to uncover hidden stories of the past. Choose any three artefacts that caught your attention. **Write:** - What is it? Why did you find it fascinating? Which period is it related to ?

Draw or paste picture of your favourite artefacts and give it a creative title?

GEOGRAPHY/ECONOMICS

Topic: Segregate waste at home into:

Wet waste

Dry waste

Recyclable waste

Make:

One dustbin model from waste material OR

One poster on “Reduce Plastic Use

Or

Carry out survey of 10 neighbourhood families. List out the following things and note it down.

: Number of old people/senior citizen

: Number of children

: Number of working people

: Number of literate people

: Major occupation of majority people

Prepare your report in a file. If possible make the presentation attractive by sticking photos of the families you have surveyed.

1. 'गम' धातु रूप एवं 'लता' शब्द रूप को स चत्र प्रस्तुत कीजिए।

2. संस्कृत के पांच वाक्य जो वज्ञान से संब धत है उन्हें चत्र सहित प्रस्तुत कीजिए।

Computer

1. Create a 4 panel, comic strip teaching younger kids about School Rules/ Civic sense or about Public and Private Information using software like Pixton or Canva.
2. Create any innovative AI/ computer model working /non-working.

My Family Expenditure Diary

Track 7–10 days of spending

Divide into:

Needs

Wants

Savings

Create a colorful chart + reflection:

“Where did I waste money?”

Or

Advertisement Analysis

Watch 3 ads (toys/clothes/food)

Answer:

Is it a need or want?

Is it influencing you? and also mention the age group it is influencing.
